

Lutheran CORE – Congregational Life & Pastoral Support

Some Resources for Congregations and Pastors

We as the Lutheran CORE working group on Congregational Life and Pastoral Support have been asked to compile a list of resources available for congregations and pastors, in the hope that it will be found helpful by our members. It should be noted that Lutheran CORE does not have any direct control or oversight on the individual organizations and companies listed, so we encourage congregations to review their own options for what will best serve their local ministry.

This list is not all-inclusive. We apologize for resources that we have left off, and we intend to add to this list as we learn of additional orthodox and biblical resources. If you would like to be listed on this, please contact Mark Braaten at mbraaten@oslctyler.org or 903-561-1865. He will pass the information on to the working group to add to this list.

Help Line – If you have questions or would like more information, please call 1-903-561-1865 between 9:00 a.m. and 3:00 p.m. (Central Time) Mondays through Fridays.
